

# Little Boy Blue Lap Book (Literacy, Language, and Learning)

Children will love the illustrated version of this familiar rhyme. The images are brightly colored and beautifully illustrated to aid in childrens understanding and recognition of basic colors and the images and text work together to create a storyline that is easy to follow along for both new readers and for those who are not yet able to read. This lap book is the perfect size to use for read-alouds, partner reading, small group instruction, and helps to create a shared reading experience in which children are encouraged to retell the story in their own way or to create one of their own from the information they gather.

The American Speech-Language-Hearing Association offers these and encourage naming and pointing to familiar objects in the book. asking him or her to put the napkin on the table, in your lap, or under the spoon. life of their children the child would have a better learning outcome at school.
