

## Angel High

From C.L.Quinn, a Holiday Novella to whet the appetite for a new series planned for 2016!

She had been in heaven for sixteen years and expected to remain there for the rest of eternity. When she fell, returned to Earth as an earthbound angel, a chance at living like a human being again, she couldn't believe how much she embraced the life. Now, December in New York City, Christmas in one of the most beautiful cities in the world, she had a mission that will determine the fate of the world someday. A damaged cop, a lost pup, and the discovery that there were more than angels walking the Earth, Hell had its agents, too, still new to this earthbound life, Cassie finds love, hope, and blood on her first Christmas back on Earth. All Mick wanted was to kill the man who murdered a young college student and tried to kill her dog. The creep had to die. But when Death literally hung over Mick in a snow-covered alley, and he himself didn't die, he found that angels and demons were battling it out on the streets he tried to protect. Life changed forever when an angel saves a cop just before Christmas in New York...and Heaven help us all.
