

Remnants of a Dark Secret: Poetry through the Pain

This is a special collection of poetry where I share MY deepest thoughts creatively through pain in childhood incest. Over the past decade, I've come to realize how my gift of writing was used in a variety of ways to heal my emotional injuries, increase understanding of myself and others. It continues to develop a capacity for self-reflection, reduce symptoms, and alter behaviors and thinking patterns. Through my journey I write to heal, forgive and to give strength to others. This poetry displays love, forgiveness and acceptance!
