

Atlantis Dark Tides: Lost Daughters of Atlantis Book 4

When a girl's heart is set on revenge. Nagged by her evil mother, Sky wants one thing above all else. To destroy the society that rejected her and stole her rightful inheritance. Going undercover, she uses a lowly human to draw close to the recently discovered trio of Atlantean princesses. Once she learns what she needs to know about her targets, she will kill them with no remorse. Except she does something stupid when she saves the human and exposes her special powers. Now, she's caught the eye of Prince Reef from the kingdom of Merta. Reef is a spy too, with a mission to decide which side of the Atlantean war his kingdom will champion. During Reef and Sky's time together, she learns more about her past, her power, and her princess half-sisters. Sky is forced to rethink her views on everything. But Reef has secrets of his own. This is the fourth full-length novel in the Lost Daughters of Atlantis young adult fantasy action adventure novel series. Each of the books stands alone. Having met the Atlantean Princess sisters Pearl, Coral and Maris in the first three books of this fun series, I'm thrilled that Burton is continuing the saga with this story of Sky, the outsider bent on revenge, who learns that her world is more complicated than she believed. A great new heroine! In Burton's carefully crafted world, with its alluring Royal Guards and handsome Separatist spies, there's plenty of intrigue, action and romance to keep the stories coming for a long time. Already can't wait for the next installment!
