

Witches of Bourbon Street (The Jade Calhoun Series Book 2)

From New York Times and USA Today bestselling author, Deanna Chase, the second book in the Jade Calhoun series. Jade Calhoun was never fond of her empath abilities. Now she's discovered she has another gift she'd rather not unwrap. But when her mentor, Bea, becomes gravely ill and insists Jade be the only one who can help, she's forced to embrace her witchy side. It's too bad she spent a decade shunning the magical community and never learned to harness her powers. Because time runs out. A trapped spirit has revealed a clue to Jade's long-lost mother. The resident angel has gone rogue and disappeared with Jade's boyfriend, Kane. And if that wasn't enough, her ex appears to be possessed. To save any of them, Jade will need to find a way to control her inner white witch without succumbing to black magic. Otherwise, she'll lose everything including her soul.
