

Bone Dry: A Soul Shamans Novel (Volume 1)

Sometimes it isn't as easy as choosing right or wrong...Holly Bennett is a comic book nerd, a con artist, and a shaman. Ever since her mom's mind got stuck halfway between the spirit world and ours, Holly's had to take up the role of breadwinner in the family. She uses her burgeoning shaman powers and her con artist ways to set up fake hauntings and banish the so-called ghosts from her wealthy classmates' bedrooms. For a fee, of course. But when actual spirits start attacking residents of Seaport, Holly discovers that other shamans have come to town, summoning life-sucking spirits for their own ends. And as her mom's mind slips further away, Holly has to fight to save her, and the rest of the town, before they get sucked into Lower World permanently.
