

Recurve (The Elemental Series) (Volume 1)

What a fantastic start to a new fantasy series! I love a strong female lead and we were delivered that in spades with Larkspur ... This story is fast paced and exciting right from the start. I cant wait to see what comes next! -Boundless Book Reviews
From HiJinks Ink Publishing and Shannon Mayer comes The USA Today Bestselling ELEMENTAL SERIES beginning with RECURVE (Book 1). With over 1 million books sold, Shannon Mayer proves once again she can dominate her genre right out of the gate. My name is Larkspur, and I am an Elemental. My people use the power of the earth to sustain life and defy our enemies. I should be at my fathers side as a royal princess. But as a half-breed, bastard child, that isnt going to happen. Ive been accused of attacking the queen, my wicked stepmother, and my life is suddenly on the line. I have only two options left to me: banishment, or training to become one of the Kings Elite Guards, an Ender. Option one will kill me. Option two is meant to break me, but is the only way to survive. Did I mention I have no power like the rest of the elementals, and my connection to the earth is worth next to nothing? Could things get any worse? Of course they can. Welcome to being an Elemental.
