

Disney High School Musical All About Dancing: Dance Mat and Instructional CD

Want to learn the moves you need to dance along to the hit songs from High School Musical & High School Musical 2? All About Dancing breaks down some of the most popular routines step-by-step so you can rock out with the crowd from East High. The included CD features hit songs from & inspired by the movies, as well as tracks with voice-over instruction to make learning the dances a snap. The book also takes a look at the costumes, props, & settings from the movies. It even includes original routines & storylines to help you create your own dances.
