Mountains of Fire In a world where they can be sung into submission by dragon charmers, people have forgotten the true power of dragons... but when feral red dragons seize a royal prince, that power threatens everything. Logan lives with Zared, an elderly and absent-minded wizard, in Shanoria - the Kingdom of the Dragons. His closest friend is Alyxa, a dragon charmer with the rare gift of soothing and commanding dragons. But not all dragons are tame, and when feral Reds kidnap the crown prince, Logan and Alyxa are thrust into a fast-paced adventure.

Valley of Silver In the exciting sequel to *Mountains of Fire*, the spell binding the fearsome Red Dragons is weakening, and when they break free they will seek a terrible revenge. With the help of Silverhorn and Braveheart, Logan and Alyxa flee in search of Logan's long-lost parents, who hold the key to defeating the red dragons. With Logan unable to do magic, and his elderly wizard grandfather losing his memory, the future looks grim... But Logan refuses to give in and together with Alyxa, Myles and Eric he battles the red dragons once more.

Caverns of Gold It has been a year since the red and gold dragons were defeated at Silver Haven. They thought they had seen the last of the dragons... When Logan realises that the threat of the dragons from The Rift is still very real, he goes in search of Zared to put it right... But Zared is gone and the fate of Silver Haven rests on Logan and his friends. In the exciting conclusion to the *Dragon Charmers* series, Logan must travel down to the heart of the home of the dragons - the Caverns of Gold!
