

An Exposition of Brownings Sordello: With Historical and Other Notes (Classic Reprint)

Excerpt from An Exposition of Brownings Sordello: With Historical and Other Notes
If Sordello is to be read at all, a fresh and independent attempt at its elucidation need make no excuse for its appearing. Many aids, from earnest and thoughtful essays to annotated editions that had best be regarded as practical jokes, have been offered to the student of this strange intellectual product, but it is generally acknowledged that it remains a dark poem. But that lack went damnable hard, says the Immortal Tinker, when describing his pilgrims attempt to escape from Doubting Castle. The words have often come nigh me as I have tried to force my way into the stronghold of the Giant Despair of our literature to rifle its treasures: if my readers can conscientiously finish the sentence of which the words quoted form a part, I shall be more than satisfied. During the preparation of my work I have received kindness at the hands of many friends. My thanks are due to those who have given me free access to their books, and to those who, out of the stores of their own knowledge, have aided me in following up references. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
