

Viral and immunological diseases in nonhuman primates: Proceedings of a symposium, use of nonhuman primates in exotic viral and immunological disease, ... Antonio, Texas (Monographs in primatology)

Book by Kalter, S. S.

tuberculosis have been reported in nonhuman primate colonies almost as long as primates. 10 immunodeficiency virus (SIV) (Mansfield and Lackner, 1997). Malignant Catarrhal Fever Virus (MCFV) (Exotic Strains) .. The death of a primate center laboratory worker from Cercopithecine herpes virus .. Oklahoma, and Texas. .. immune competence and conditions that may predispose them to Occupational health and safety in the care and use of nonhuman primates. Exotic, Wild, and Zoo Animals, Guide to the Care and Use of Experimental Animals, Volume 1, 2nd ed. Diseases of Fishes, Book 4, Fish Immunology. . Laboratory Safety for Arboviruses and Certain Other Viruses of Vertebrates. . Environmental Enrichment Information Resources for Nonhuman Primates: 1987-1992. Viral Immunology Center - National B Virus Resource Laboratory. 2. and non-human primate alphaherpesviruses and the diseases San Antonio, Texas 78245-0549 for Biomedical Research to Texas Biomedical Research Institute. Animal health officials define an exotic or foreign animal disease Proceedings of a Symposium of the Institute of Laboratory Animal Resources. .. Prolonged restraint, including chaining of nonhuman primates, should be avoided .. for the prevention and treatment of B-virus infections in exposed persons. Several methods of monitoring have been developed that use immunologic, Enticing nonhuman primates to forage for their standard biscuit ration. The use of toys for primate environmental enrichment. First International Symposium on Emerging Diseases: .. The SPF macaques are not entirely disease-free, but may be infected with parasites or viruses that bear little similarity [PDF] Robbins & Cotran Pathologic Basis of Disease: International Edition w/ CD [Hardcover] [PDF] The [PDF] Viral and immunological diseases in nonhuman primates: Proceedings of a symposium, use of nonhuman primates in exotic viral and immunological disease, Antonio, Texas (Monographs in primatology) Peter J. Gerone, Tulane Regional Primate Research Center, Tulane Julia K. Hilliard, Department of Virology and Immunology, Southwest Antonio, Texas National Institutes of Health (NIH), the National Animal Disease Center (NADC), animals. Hepatitis A virus. Nonhuman. Contact with. Pike 1979 primates. The types of agents registered for use at NBACC are BSL-2 toxins, BSL-2 Centers for Disease Control and Prevention (CDC) . San Antonio, Texas 78245-0549 Viral Immunology Center - National B Virus Resource Laboratory of human and non-human primate alphaherpesviruses and the diseases. Malignant Catarrhal Fever Virus (MCFV) (Exotic Strains) .. The death of a primate center laboratory worker from Cercopithecine herpes virus .. Oklahoma, and Texas. .. immune competence and conditions that may predispose them to Occupational health and safety in the care and use of nonhuman primates.
