

## The Adventurer (Classic Reprint)

How often does the unsuccessful man ask himself this question as he sees about him, on every side, the evidences of an unattainable prosperity. Clods risen to greatness; mediocrities snuggled into warm berths; dull fellows, without an idea in their wooden heads, perceived high up the ladder, securely perched in affluence. What of better men at the bottom, from whom has been withheld this magic power? What sthe matter with them? What invisible lead is weighing down their unfortunate feet? Why has Fate assigned them all the kicks, and reserved the halfpence for the others? Lewis Kirkpatrick, on the top of a Chelsea bus, was moodily turning over these things in his mind. Ordinarily he would have given them very little thought, but the drizzling London day was favorable to introspection, as likewise were the nine shillings and eightpence in his pocket. Nine shillings and eightpence and the clothes he stood in! That was what Kirk had to show for thirty-two years of an active and adventurous life. Nine shillings and eightpence! To look at him you certainly would have thought he might have done better.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
