

Husbands and Other Strangers (Mills & Boon Vintage Cherish)

DEAR DIARY: The first face I saw after hitting my head on my brother's boat was that of a gorgeous stranger, a stranger that everyone said was my husband. Taylor Conway is the type of man that no one forgets, so I thought it was my brother's idea of a joke. How wrong I was! There's something about this gorgeous, determined man that's grown on me. And whether Taylor's really a stranger or the man I was head over heels in love with, I can't stop thinking about him. I just can't understand: Why would I erase my husband from my mind? I've got to find out for sure.
