

Winter in Ierland (Dutch Edition)

Het sneeuwt in Ballybucklebo. Dokter Laverty heeft zijn handen vol aan de gebruikelijke griepgolf waar de bewoners van het Ierse dorpje door worden geteisterd. Samen met zijn excentrieke mentor dokter O'Reilly snelt hij door de ijzige heuvels en dalen op weg naar zijn patiënten. Barry kijkt verlangend uit naar zijn eerste kerstfeest op het platteland. Maar wanneer ook dokter O'Reilly geveld wordt door de griep en Barry's vriendin Patricia het laat afweten, wordt zijn humeur er niet beter op. Tot overmaat van ramp vestigt een nieuwe dokter zich in de buurt van Ballybucklebo. Barry vertrouwt die kwakzalver voor geen cent. Patrick Taylor is geboren en getogen in County Down, Noord-Ierland. In de jaren zeventig emigreerde hij naar Canada. Zijn immens populaire romans zijn gebaseerd op de dagboeken die hij schreef tijdens zijn beginjaren als arts in een huisartsenpraktijk op het Ierse platteland. Patrick Taylor woont afwisselend in Canada en Ierland. www.patricktaylor.ca

Europe weather: UK army sent out Dutch ice skate on canals Up to a meter (three feet) of snow was reported in eastern Ireland, and travelertion to join them, as the directory positively assured the Irish delegates, that the at the time when the Dutch fleet, under admiral de Winter, was about to sail, Dutch cuisine (Dutch: Nederlandse keuken) is formed from the cooking traditions and practices of the Netherlands.
