

His Mate- Brothers- Duncan (Lycan Romance)

*** This book contains characters and situations from the book; HIS MATE-BROTHERS- ZEKE AND JEFF.***

Duncan wasn't happy that his brothers were mated. It didn't matter to him one way or the other, but he'd kind of like to know what this alleged family curse was all about. Right now though, with his brothers all loved up with their new mates, he would rather be alone. Walking out of the bar and into trouble of the She-witch kind didn't fill him with happiness either, and when that Fae turned out to be his mate, well that was just the fire haired icing on the damn Fairy cake. What's more, she was battling a Vampire, and she was doing a damn fine job of it. Right up until the point that he stepped in. Jennifer didn't want a mate. She had a job to do and that job was getting away from her with every moment she spent debating it. But there was a family curse, just her damn luck, and she was going to have to do some fast talking if she was going to hunt the Vampire and put a stop to his killing spree. But what about her mate? Could she leave him to go rogue to complete her task and save the Fae being hunted? Jennifer had some choice to make and she didn't like the complications that being a mate would bring.
