

The Journal of Vincent Du Maurier (Book 1)

Science fiction and horror fans alike will anxiously race toward this journals end and eagerly request the next installment. Publishers Weekly In the days of the bloodless, a healthy human is a vampires most valuable resource. But theyre in short supply and Vincent Du Maurier is hungry. Evie could be the last human being aliveand shes pregnantwhich makes her situation most inconvenient for Vincent. As he struggles to keep her and her unborn child from bloodless claws and vampire fangs, he faces the most difficult choice of his long life. Should he give in to his hunger, and risk a destiny worse than Hades? Or deny his nature, and risk becoming something far worse than deada vampire with humanity?

As though moving through molasses again, I stretched my arm out and reached for the bearish vampires free hand, slapping it down before throwing my bodyA NATIONAL BESTSELLER A New York Times Critics Top Book of 2017 This years best book about family. Ron Charles, The Washington PostA sweeping,When she stirred, I looked away, not wanting her to catch me leering at her. I didnt know the protocol and wondered if I was supposed to send her away.I raced along the side of the cabin, following the trail of the mans scent. When I got to the rear, he had disappeared into an opening in the wall.
