

Mart Haneys Mate (Classic Reprint)

Cripple Creek, I was invited one evening by a writer on a Denver newspaper to visit with him some of the gambling halls in which it was his habit to spend an hour or two in search of the latest news of strikes, sales, and leases, and in one of the largest of the many saloons we stood for some time studying the men engaged in games of chance. On one side of the room were several card tables, roulette wheels, and other layouts, and in the midst of these, in a high chair (which my friend called the look out) ,sat a man who attracted and held my attention to the exclusion of all others. He was a large man of an I rish type familiar to me a bold and handsome individual of about forty years of age, dressed in a frock coat of the Prince Albert cut. He looked like a priest, but he was in fact owner and manager of the place. With dreamy impassivity he sat tossing from hand to hand two or three poker chips, a look of singular abstraction on his face. In a subconscious way he was on guard, but to my mind he seemed to be remembering something secret and far off and sad. He made a sharp appeal to my imagination and when I left the room his face and figure remained with me as the dominant center of the throng. Who was he? What was he dreaming about? The answer to these questions I put into a story which I called Mart Haneys Mate and which was (in part) serialized under that title.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
