

## The Rise of the Phoenix (Society Book 1)

Cast out by his own family after a wolf's bite infects him, a young thirteen-year-old boy is forced to roam the streets and fend for himself. In a world of Humans and Others, he belongs to neither. No longer considered Human, but nor a purebred Other, a race of powerful supernatural beings, he will be unwanted and hunted by both. Danger lurks at every turn. Young, vulnerable and afraid, he tries to come to terms with the physical changes taking place in him while at the same time trying to find a way to survive. In a menacing world filled with threats and hate, is there any hope of salvation for this orphaned fledgling? Please note, this is a Society Short.
