

# Tainted (The Tainted Series Book 1)

The figurehead of a war she didn't know she was part of. The human with the heart. The little girl with the killer's blade. The lost twin with nothing else to lose. The scientist who lies. We are the Tainted. We are all Tainted. And we want you to come with us. Believe in Guardian Angels. A contemporary fantasy about love, war, and the darkness within us. What does it really mean to be human? The first three chapters of the first book of The Tainted Series, giving you a tantalising glimpse of each perspective of the three lead characters.

Orphaned at birth, Rebecca's life had been anything but easy. From run-ins with the law to being bounced from one foster home to another, trouble and misery.
