

Storage World: An Anthology of Science Fiction, Fantasy, and Horror

Most storage units hold furniture, books, clothes, and all manner of junk, old and new. The Braxton family's Storage World provides all that plus storage for a different kind of goods. Behind the doors of Storage World one can find things magical, mythical, fantastic, and terrifying.

In this collection of stories by Albuquerque Cyberscribes writers group, the dark emanations from the weird things stored behind Storage Worlds carefully guarded doors reach out into the ordinary world, tempting and ensnaring mortals, and even bringing on the end of the world. Some doors shouldn't be opened. Will you look inside the mysterious vaults of Storage World?

This eighth volume of the years best science fiction and fantasy features over thirty stories by some of the The Years Best Dark Fantasy & Horror 2017 Edition.
