

Wordsmith: The Cornerstone Book 2: The sequel to the bestselling comedy fantasy!

The fast-paced fantasy sequel to *The Cornerstone*, by the bestselling author of the smash hit comedies *Fat Chance & Love... From Both Sides*. From the pages of the past, a new threat to Max Bloom rises in *The Chapter Lands*... A year after his life became a lot less boring (and a lot more dangerous, if hes being honest) Max Bloom finds himself the unwanted centre of attention at the spectacular Chapter Lands Wordmeet, a magical competition laid on in his honour - whether he likes it or not. This unfortunately means having to wear an uncomfortable suit and talk politely to other people; two things that Max does not excel at. Events take a grave turn however, when the Wordmeet is gate-crashed by a man with murder in his heart and revenge on his mind. He kills an innocent boy and threatens Merelies life before Max manages to intervene. Who is this interloper? What does he want? Why is he so intent on killing? Only *The Cornerstone* can provide the answers, and on its pages it reveals a single name... Venhaligan. So begins the hunt for a murderous ghost from the past with connections to *The Cornerstone*, and inexplicably to Maxs family. From the strange and magical Chapter Lands, to the familiar surroundings of Farefield, Max must pursue this madman across dimensions using *The Cornerstone*. He must prevent more innocent people getting hurt, as well as uncover the truth about his past before it kills him. *Wordsmith... The Cornerstone Book 2* continues the thrilling story of Max Blooms adventures in *The Chapter Lands* - with twists, turns and excitement throughout! *** Reviews for Nick Spalding & *Wordsmith: The Cornerstone Book 2*: Spalding made headlines last year when Amazon revealed he was one of their best selling authors, selling over 400,000 copies on Kindle. It was obviously only a matter of time before someone snapped him up. *The Daily Mail*.
