

The Case of the American Twins: Adapted from characters created by Arthur Conan Doyle

The American Twins is a classic adventure featuring the great detective Sherlock Holmes and his faithful friend, Dr. John Watson. Among the many references made to cases that Watson did not chronicle, those of Sherlock Holmes early career are the most intriguing. Within the canon, there is an oblique reference to one case concerning an American client, but nothing more is revealed by Watson. At last, here is that case. Based on the stage play of the same name by Chelsea Quinn Yarbro.
