

Hold Back The Storm (The Starry Child Series Book 3)

The storms off the North Sea return, bringing with them long-forgotten secrets and a curse that will put Rainey and Matts beloved family in danger as never before. Now, at last, the truth is told, a truth that ties them all to a man of vengeance who will not rest until his mad need for revenge is served by casting them all into the depths of Thors domain. This is a battle for Rainey's love and for Matts soul. And everything depends upon an ancient story known only to little nine-year-old Carrie. HOLD BACK THE STORM brings together every mystery, every dark omen from the distant past seen in the story so far in a revelation that will change everything forever.
