

## The Third Throne: Angel of Vengeance

When a dangerous drug lord escapes from the Realm of Nightmares in Hell, he finds a way to raise his former gang members from the dead in an effort to seek revenge against his enemies. Anjali must hunt the prisoners and drag them back to Hell. She will enlist the help of a handsome mortal who has more knowledge of her world than he should. Together, they will try to stop a war that could obliterate an entire city. Balthazar, the Angel of Vengeance, has suffered at the hands of Lucifer and the Predznak for centuries. He blames the absence of his Master, Anjali, for his pain. He made a promise long ago to kill his loathsome master. Hatred and anger cloud his mind and his only salvation may come from the very person he is desperate to kill.

Can Anjali protect herself from Balthazar's need for retribution, while keeping a horde of rotting corpses from causing chaos in the streets? Can she unlock the mystery surrounding the unusual appearance of the deadly creatures? The Third Throne: Angel of Vengeance is the third installment in the award winning Urban Fantasy / Paranormal Romance series.
