

When Good Wishes Go Bad: As You Wish, Book 2

In *When Good Wishes Go Bad*, Becca Morris thrives in her job as a dramaturg/producer - at least until her current production is derailed by threatened copyright litigation. Even worse, her boyfriend has gone on the lam, stealing her life savings and most of the theater's funds. That's when a brass lamp enters the picture - a brass lamp with a wish-granting genie. Before Becca knows it, she's juggling magic, a brilliant new play by a hot new playwright, and a battle of guerilla gardeners (yes, really!) the likes of which New York City has never seen.
